

Why Wellness Plans?

Wellness Plans provide preventive veterinary services for one year, with the cost divided into 12 affordable monthly payments. You can upgrade your plan as your cat ages.

All plans include:

- Preventive care examinations and core vaccines.
- Reduced examination fee on scheduled visits.
- Additional discount on flea control and heartworm prevention.

At Germantown Veterinary Clinic, we look forward to helping you provide your cat with the best possible care at every stage of life. Wellness Plans help us make that care more affordable and convenient for you.

Ask one of our team members about Wellness Plans and which plan is right for your cat.

WELLNESS PLANS**

Wellness Plans overview

Every cat has a unique set of needs. At Germantown Veterinary Clinic, we have designed a Wellness Plan to meet your cat's needs at each stage in their lives.

What's even better, Wellness Plans are good for your pet and your wallet.

Our feline wellness plans

KITTEN includes all the preventive care examinations, core vaccines and basic laboratory tests necessary to help protect kittens against illness and disease.

ADULT includes biannual preventive care examinations, recommended adult vaccines and basic diagnostic screenings to ensure your cat is healthy and happy during the prime years of life.

SENIOR is our most comprehensive plan, which ensures we're looking at the types of diseases and conditions that can affect cats in the senior stages of their life.
